

The General Postgraduate Program: Courses 2024/2

## C 3 Recruiting in International Companies (1 CP)

Ellen Rana; Communications trainer

---

### Course Description

You have spent the last few years deeply involved in academia and research. Now you have finally got your PhD and have to enter the real world. Congratulations!

Finding a job in the private sector working for an international company is a dream for many. However, understanding job adverts and knowing what the company actually wants is not as straight forward as you might think. This two-day workshop discusses the language of adverts and what should be included in your CV to make you as attractive as possible. There is much more to it than just stating your PhD title.
